Hi Liz and Melissa:

Attached is my shot at a revised version of the letter. I did go through it more closely upon further and perhaps too much pondering. Please let me know if this is an improvement or not. If it is an improvement, please make additional revisions that would further improve our comments. If it isn't an improvement moving in the right direction, please let me know and we will go from there. Thanks!

Sam,

Here is the updated letter based on our discussion. Thanks for your review. I still need to remove the page number on first page – I blame it on IT!

I will be in the office tomorrow to prepare for your signature.
